

To upload information to our FTP site, you must first have an FTP program. Many FTP programs are available as a free download (FETCH, FileZilla, SmartFTP for example).

To access our FTP site you will need the following information:

HOST	ftp.farwestoutdoor.com
USER NAME	fwguest
PASSWORD	Farwest4

** Please note that username and password are case-sensitive.*

Please inform your sales representative when your files have been uploaded.

As an alternative to the FTP site, you may also send us a download link, such as: **Drop Box, WeTransfer, and Hightail (yousendit)**. The download link should be sent to **cassidym@farwestoutdoor.com**.
